DEAR COLLEAGUES

On behalf of the World Institute of Pain (WIP) and Texas Tech University Health Sciences Center, we would like to invite you to the Integrated Workshop and FIPP & CIPS Exam in Orlando, Florida, USA, from April 8 to 10, 2022.

WIP has organized the Annual Florida meeting since 2012 in Miami. We decided to bring this conference to a new facility in Orlando. This is the first live WIP meeting since 2020.

There will be two education tracks: the traditional FIPP preparatory course and the CIPS preparatory course. The FIPP and CIPS lectures will be available pre-recorded online, and there will be two days of hands-on cadaver workshop sessions.

We offer a wide range of opportunities for the companies to be present at the meeting. You can choose from breakfast or lunch symposium or a 30 sec AD before one of the pre-recorded lectures or having an exhibition or sponsoring the cadaver workshop, etc. Please reserve your spot as soon as possible. The reservations are first come first served.

See you in Orlando!
